

The yachting world wakes to a new day. The Marina at Christophe Harbour debuts, and by all accounts we're keeping our promise. A hideaway harbour with docks and amenities designed for superyachts—created by superyacht owners and captains.

WELCOME TO THE MARINA AT
CHRISTOPHE HARBOUR, ST. KITTS.

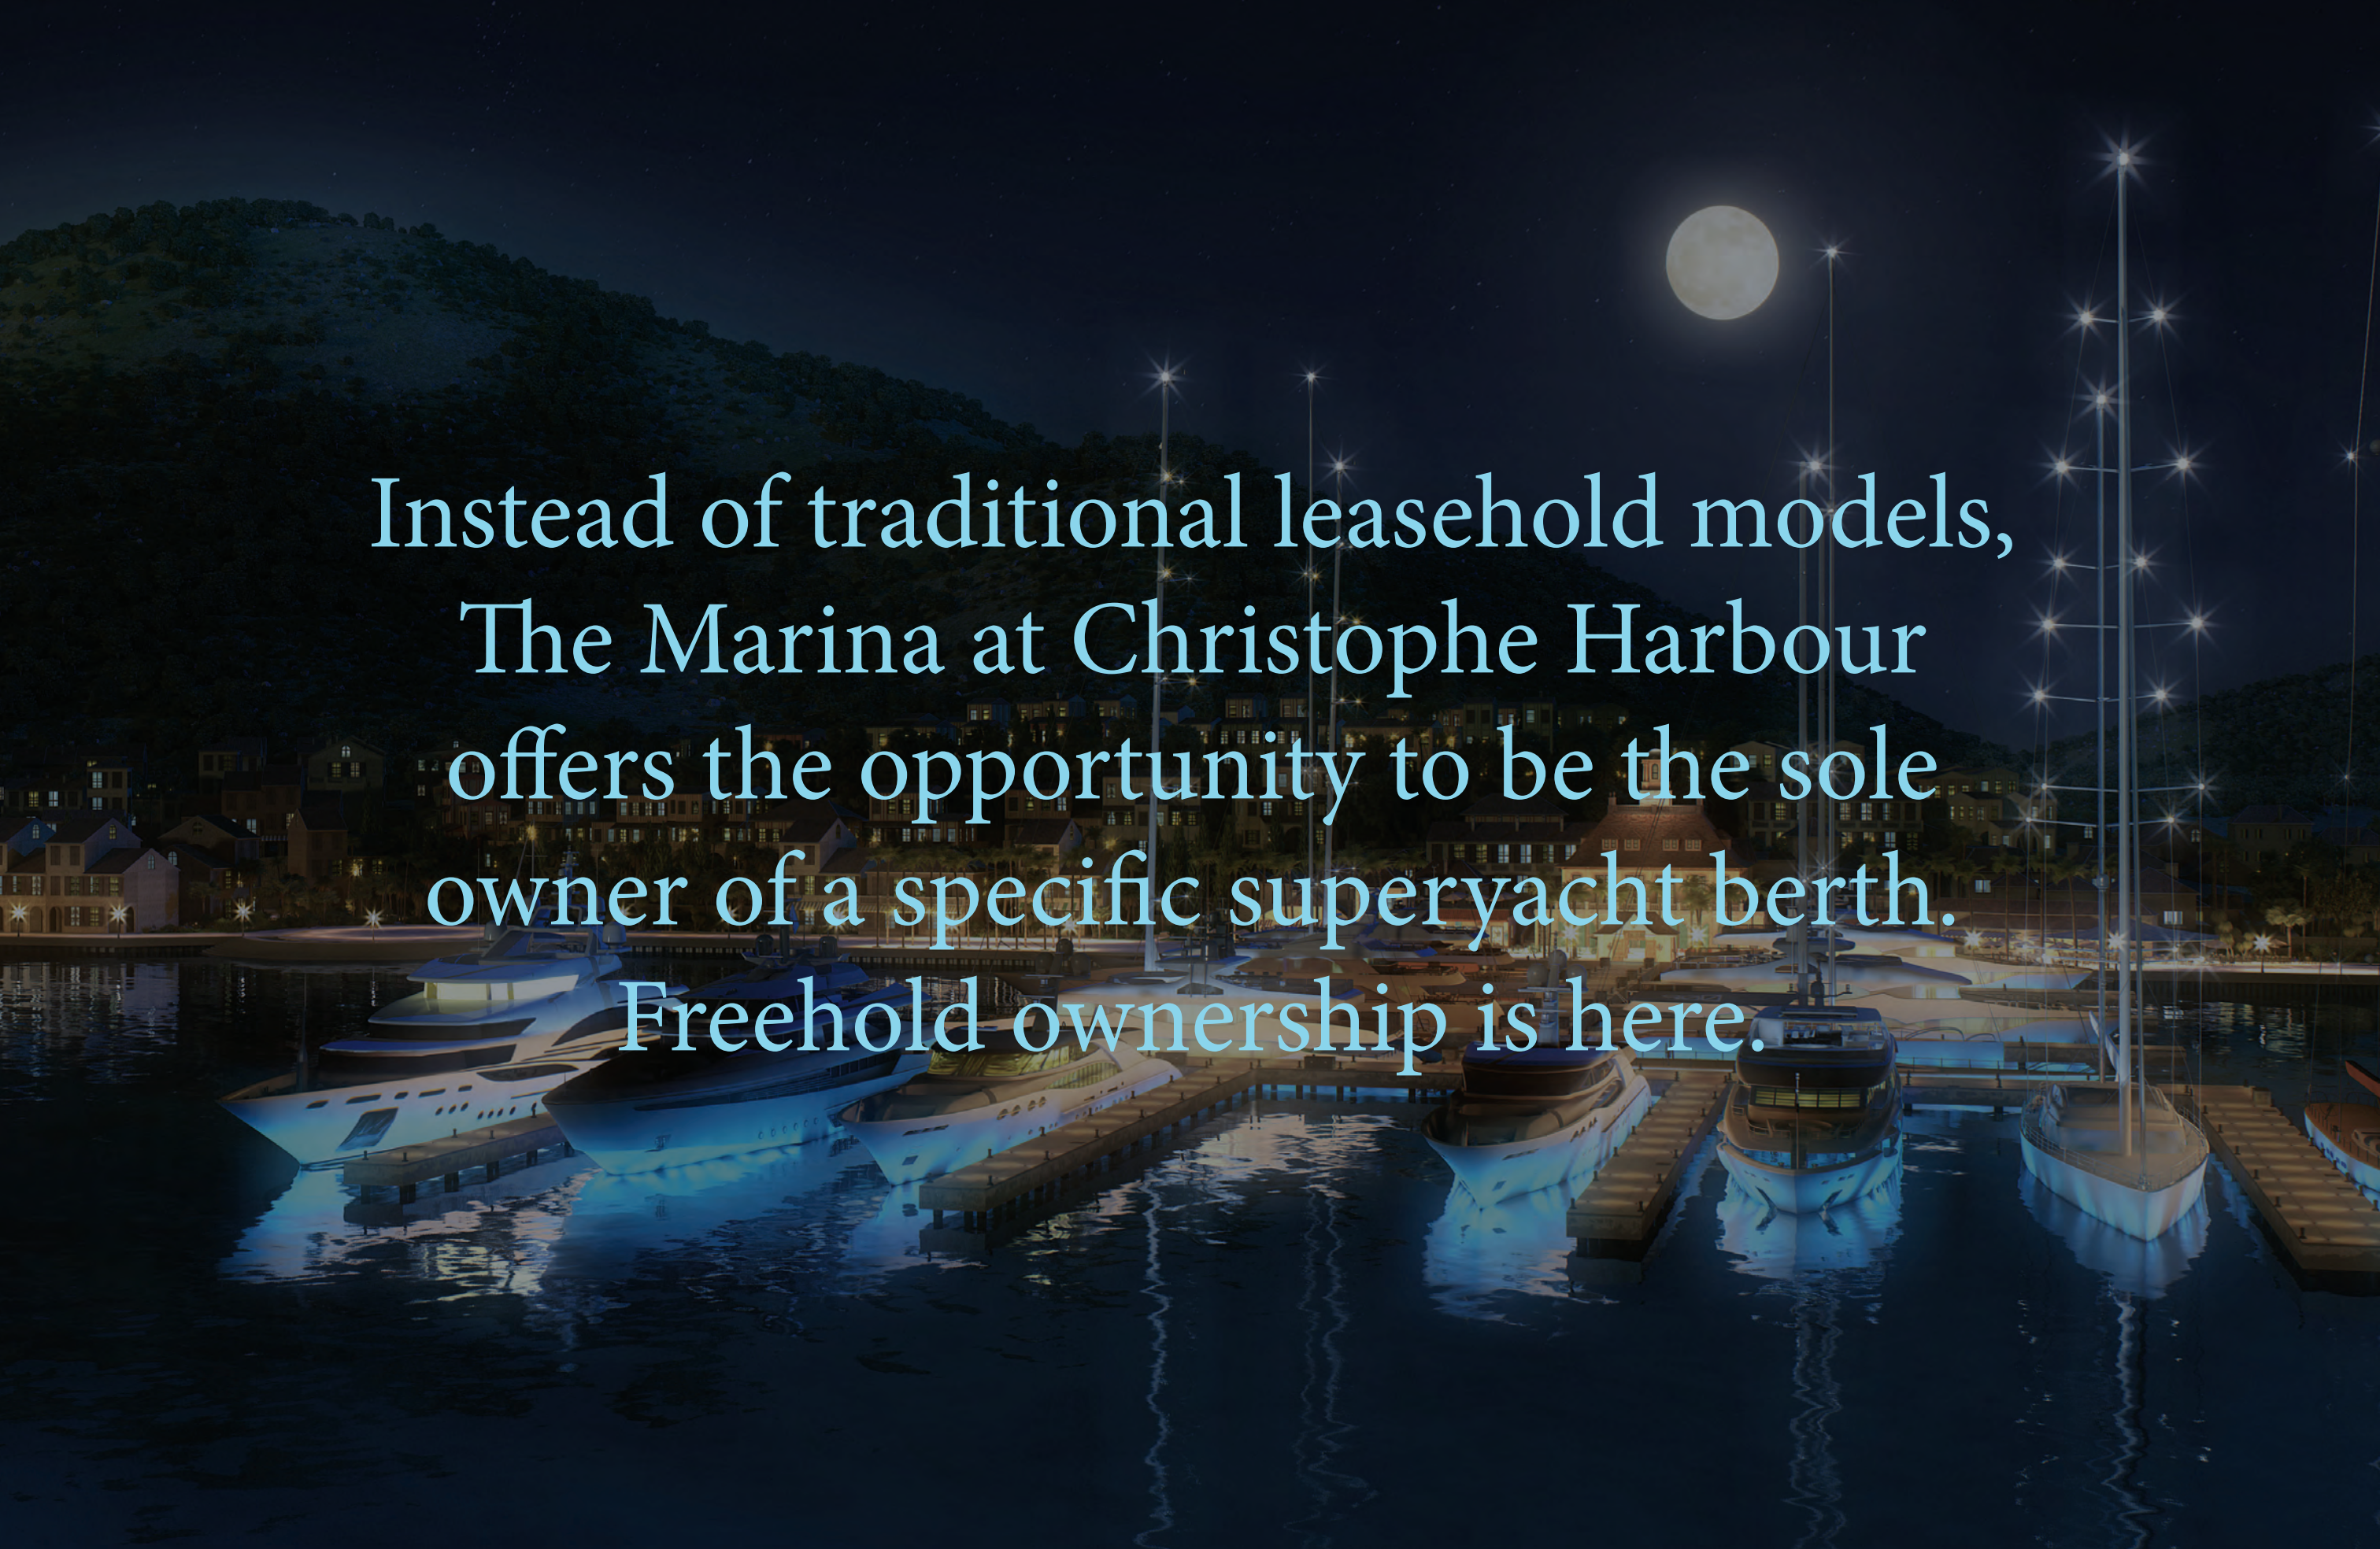

THE MARINA

Everyone's talking, and we're listening.

“Not an overcrowded scene,” “welcoming,” “gorgeous and unspoilt” is what they’re saying so far. Christophe Harbour steadfastly remains an off-the-beaten-path discovery, a true getaway that’s not overwrought. We’re ever-aiming for what’s elegant, classic and real—like fine yachts themselves. Yes, it’s a new day in the yachting world, and we’re making a splash. But our highest aim is to continue crafting this yachting oasis, a modern Caribbean hideout to match the stunning landscape.

A SELECT FEW BERTHS ARE NOW AVAILABLE FOR PURCHASE. IT'S AN UNPRECEDENTED OFFER FOR OWNERSHIP IN PERPETUITY—BEGINNING TODAY.

owner of a specific superyacht berth.
Freehold ownership is here.

Christophe Harbour is the ideal homeport.

In the heart of the popular Eastern Caribbean cruising grounds, the unspoiled southeast peninsula of St. Kitts offers a flagship destination—vibrant, yet without unneeded hustle and bustle.

Unlike any other Caribbean stop for its sheer beauty.

The Marina at Christophe Harbour offers secure alongside mooring, 24/7 dockage access, a deepwater harbour with wide turning basin, in-slip fuelling, and ample power for superyachts up to 250'. The marina provides onsite customs clearance and immigration services—a warm welcome to owners, captains and crew visiting or homeporting at Christophe Harbour.

Set against the striking, mountains-meet-the-sea landscape, the marina is the crown jewel of well-crafted Christophe Harbour, and the best beaches, venues and flavors of St. Kitts are just steps away.

AMENITIES

Connecting to food, drink, leisure

THE PAVILION

Showcasing a striking blend of traditional West Indian and contemporary architecture, The Pavilion beach club at Sandy Bank Bay is the premier amenity for Christophe Harbour residents and guests. Our private club is the center for social interaction, shoreside activity, health and wellness, and inviting indulgences. Christophe Harbour Club members can enjoy a beverage with friends or family at the beachside cabana bar, revive with a cool dip in our natural-edged pool, and savour casual open-air dining or intimate meals.

SALT PLAGE

Exuding a barefoot sophistication, SALT Plage is custom designed for sipping signature cocktails and taking in picture-perfect sunsets. Guests are enticed to relax and recharge on hammocks suspended over the water or daybeds covered by sailcloth. John Denton Haley-designed SALT Plage boasts a striking open-air design and contemporary, nautical-inspired furnishings. By incorporating retooled remnants of the historic sugar and salt industries in St. Kitts, the effect is scenery and elements that look familiar, but somehow feel new.

PARK HYATT ST. KITTS

Combining the talents of some of the world's premier architects, designers, developers and hoteliers, Park Hyatt St. Kitts offers guests an intimate, contemporary resort environment—perfect for finding your own private sanctuary. Opening in 2016, this ultra-luxury resort hotel will feature contemporary architecture and colonial influence throughout its 135 rooms.
