ATLANTIC OCEAN

CARIBBEAN SEA

---

A HOME FOR GENERATIONS

Set within soaring hillsides and azure waters on the Caribbean isle of St. Kitts, Christophe Harbour is fast becoming the destination for those who believe that superior settings within nature's enduring beauty create value and well-being.

This long-awaited release is of six homesites near the Sandy Bank Bay Beach Club.

Rising up from the sea, each of Cardinal Point's one-of-a-kind homesites are arrayed to recall Old World charms of the Mediterranean with the fresh, captivating spirit of the Caribbean.

Sophisticated living along the Atlantic—in elegant residences composed of stone, wood, and masonry—is the essential promise at Cardinal Point.

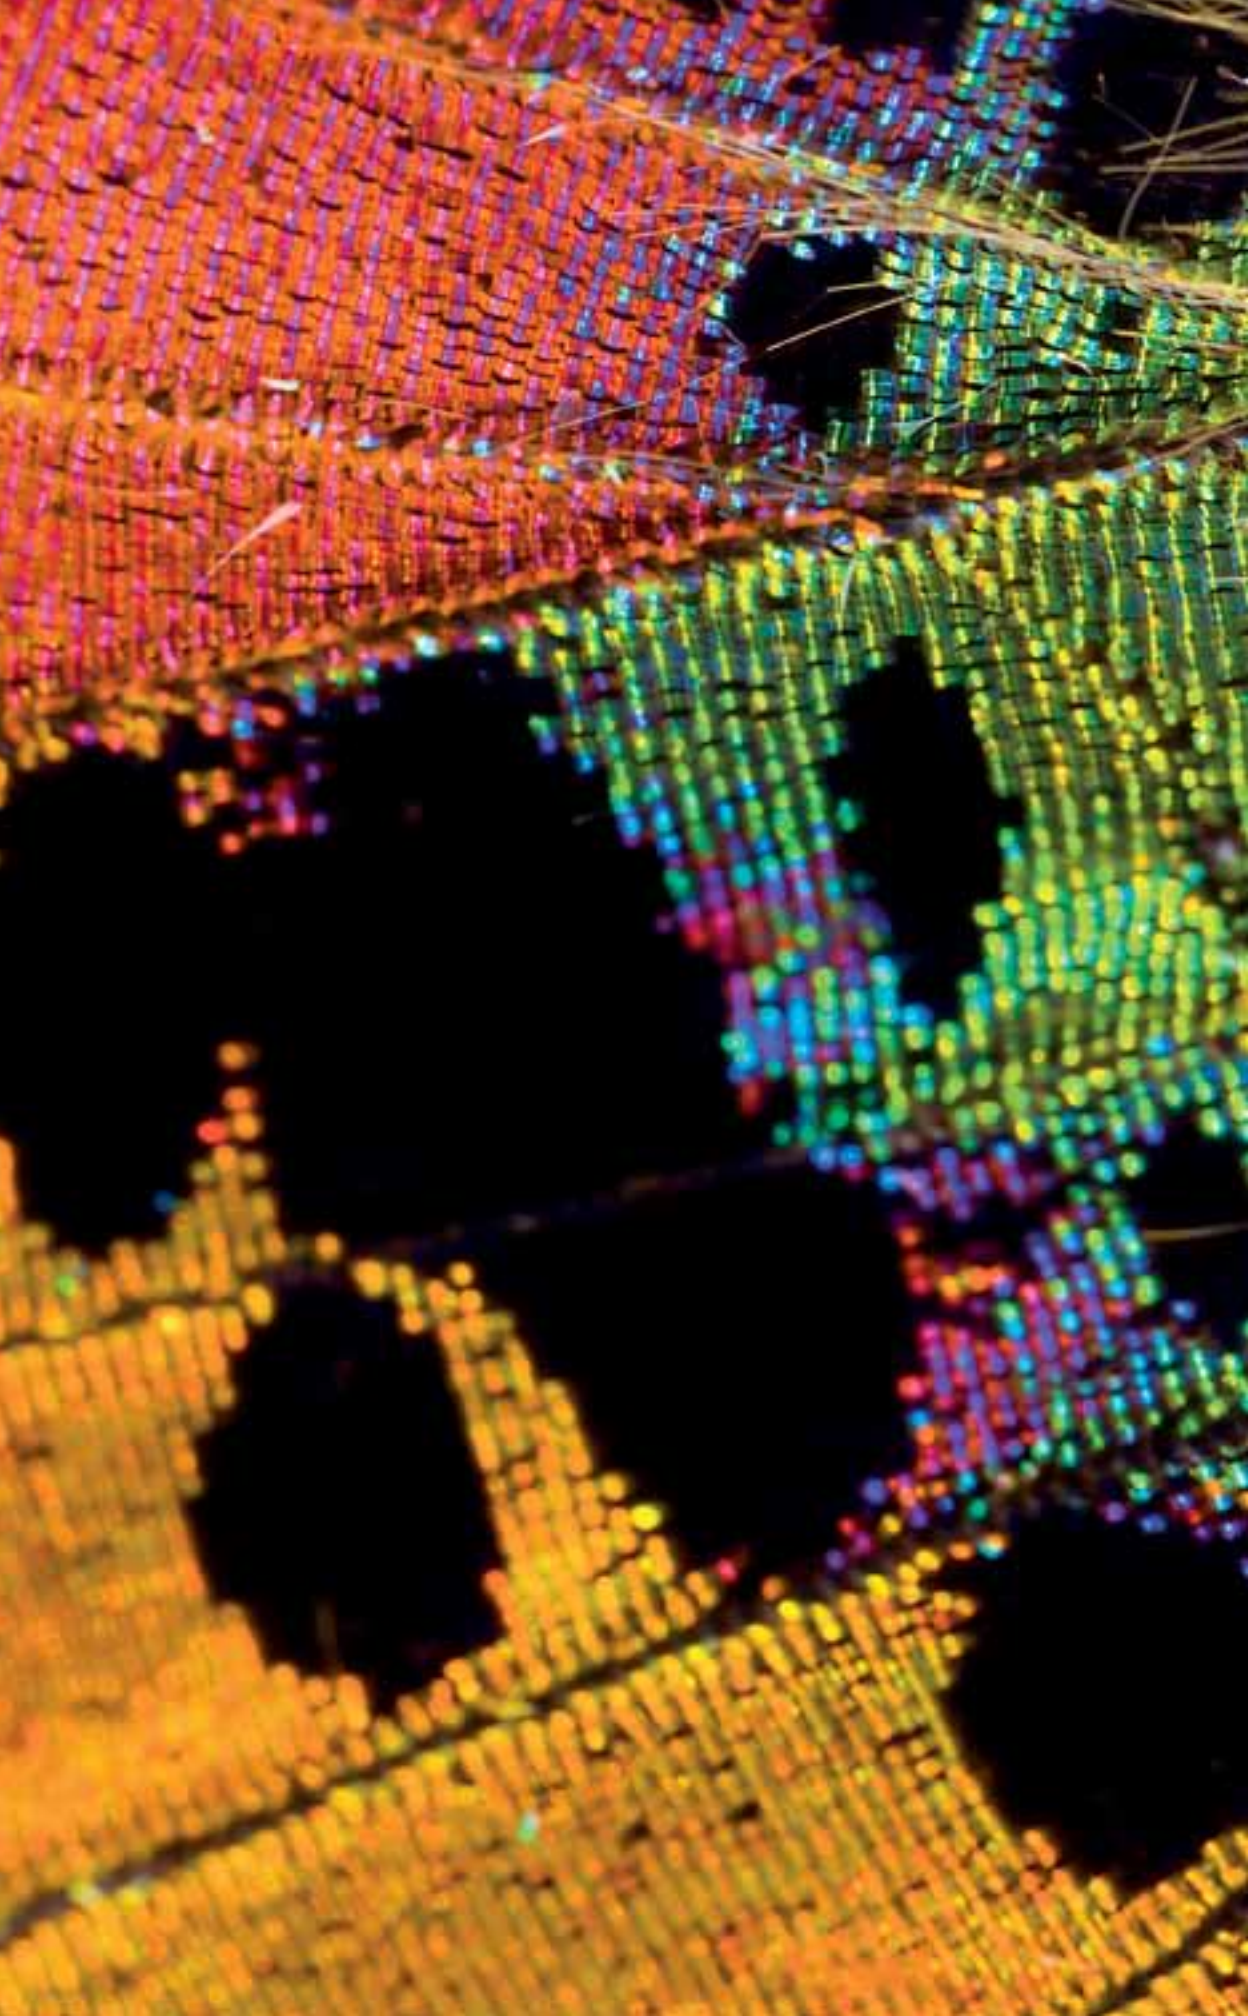

CARDINAL POINT

HARBOUR

*The setting for Christophe Harbour is a 2,500-acre peninsula, where the Atlantic and Caribbean meet at the southernmost tip of St. Kitts. A natural harbour and soaring hills give inspiration and strength to this most romantic of the Leeward Islands.*

CARDINAL POINT

The spirit of St. Kitts is still fueled by its English and French colonies of yesteryear. Christophe Harbour's six sugar sand beaches, soaring hills, safe harbour, and Tom Fazio's crowning jewel are all adding to the ancient mystique, as a place for the ages.

With elevated panoramic views over the bay at daybreak, every room of your home will have a view toward the open Atlantic, the unspoiled hillside and marine preserve, and spectacular Caribbean sunsets across the harbour.

These homesites are just above the deep turquoise pools of the bay so that homes might be gracefully terraced to capture both open, dramatic or tight, intimate views. These “cliff” homesites, up to 170 feet wide with 30-45% slopes, recall homes beside charming villages on the Italian coast.

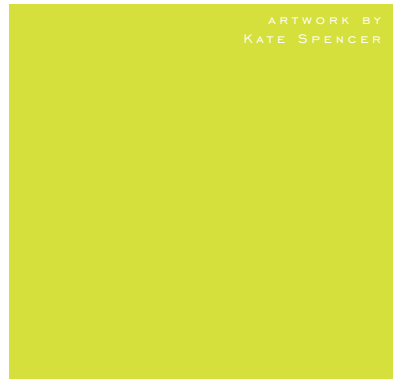

*View from an upper guest house terrace, looking south toward Sandy Bank Bay Beach Club, with the beach and mega-yacht harbour in the distance.*

*Commanding views and multiple levels for open house plans, separate pods, and quiet nooks for gazebos, gardens, trellises, and lookouts along the shore...just a few of the possibilities at Cardinal Point.*

These relaxed, romantic settings above the sea are ideal to give the soul and spirit a break. Seclusion with style, outdoor entertaining areas amid gardens of exotic flora, and intimate sitting spaces are the essence of life at Cardinal Point.

*View toward the beach from the open air dining in the new Sandy Bank Bay Beach Club. Coral stone columns frame elevated views out to the pool garden and bay.*

#### LIFE ON THE POINT

Ownership at Cardinal Point includes Economic Citizenship eligibility and membership in the Christophe Harbour Club, whose amenities include the Sandy Bank Bay Beach Club and Tom Fazio's golf course atop Priddies Plateau.
